The above said offenses

In the year 2021, Plaintiff was injured on the property of Spring Branch at 1521 Sherwood Forrest Road, Houston, Texas 77043.

Plaintiff underwent an operation on his right leg for a severe injury to his right leg. Plaintiff spent more than two (2) years undergoing therapy after hiring The Chapa Law Firm.

On August 11, 2023, I received a phone call from Jose Chapa Law partner offering me \$60,000.00. I explained to him that I would accept this amount only if he can show me the Two Party Check's and all expenses arising from this said injury also a copy of my wife's check whom was my Provider. The Defendant's refused to give me a copy of the breakdown of the expenses, including the one-third amount for attorney fees, further, The Defendant's claim that I was not allowed to see the break-down of expense sheet because I had signed over The one-third rights to them.

I then contacted the Texas Bar Association, the appointed Attorney, Esmeralda of The Texas Bar Association whom contacted The Chapa Law Firm., after further investigation by Miss Esmeralda, she concluded that the Chapa Law Firm was within their rights if they said they sent you a copy of the requested documents. She further said that she believed that Chapa Law Firm sent me these documents and that there will be no further action taken by the Texas Bar Association, even though she had not obtained a copy from Chapa Law Firm confirming that a copy of said papers existed.

On November 9, 2023, the Plaintiff received a letter from Attorney Jose Chapa III making the Plaintiff a ridiculous third offer after his law partner had made Plaintiff two different offers. Attorney Chapa assured the Plaintiff that he would add an addition \$10,000.00 of his earnings to bring the total offer to Plaintiff to \$50,000.00 which is below the second offer his law partner made to Plaintiff was offered on August 9, 2023. Plaintiff assumed this offer was to deter Plaintiff from asking for a complete breakdown of the entire settlement of every cost involved, further, Jose Chapa refuse to send Plaintiff any documents concerning the amount of Plaintiff's check nor the Plaintiff's wife check. Plaintiff have written proof of every allegation set forth in this caption.

Plaintiff is asking This Federal Court to entertain This Complaint as for the Three Claims submitted in this Course of Action. Plaintiff further ask This Federal Court to grant the Plaintiff request for a hearing on the three Claims submitted by the Plaintiff, further the Defendants also pay the Plaintiff monetary damages in the amount that would be amended in further proceedings.
